An American football is positioned to the right of the 'SPORT SPAS' text, with three red and blue motion lines trailing behind it from left to right.

Choose Your Sport!

Whether a passionate alumni, or simply a sports fanatic, there is no better way to show your team support and enthusiasm than to own a Sport Spa!

Sport Spas come in two shapes; one similar to a football or rugby ball and the other is round like the shape of a basketball, soccer ball, tennis or even a baseball.

The name is derived from the fact that the spa or hot tub is wrapped with the theme of your favorite sport or even clad with a fully licensed school logo. It is a great way to show the love for your home team, your college alumni, or even just a way to be the envy of the neighborhood.
